Message from the Manager

Water is such a powerful natural element. The pools and spa at the Woodburn Aquatic Center harness that power, providing an environment that is soothing and restorative, as well as just plain fun! There are so many

activities to choose from, with fantastic experiences awaiting everyone. You can take swimming lessons, swim for fun and fitness, participate in water exercise, or take advantage of our open and lap swim times. We have dry land fitness equipment, a hot tub, and saunas.

Look through the following pages to find the programs and experiences that suit you. Swimming lessons and water fitness classes are listed, and monthly promotions and special activities will continue throughout the summer – so be sure to see what’s coming your way.

May your summer be warm and wonderful as you and your family enjoy the water and fitness activities at your Aquatic Center.

DEBBIE WADLEIGH, MGR.

May is National Aquatic Safety Month

“Promoting aquatic education to all people using a collaborative effort of sources for activities, information sharing and community involvement.”

Check Your Level (CYL): In May, allow us to check your child’s swimming ability. This evaluation is conducted for free by the Center’s instructional staff during open swim sessions. “Check Your Level” participants will receive 20% off one session of swimming lessons, while also ensuring that they are placed in the proper class.

Stay On Top Of It: This FREE water safety event occurs on Saturday, May 17 from 10:00am to Noon. Several stations will be set up around the pool where water safety information will be available to you and your children. It’s family friendly and free! We’ll teach you how to properly fit lifejackets (bring your own for us to check), paddle a kayak, or even how to rescue someone with a ring buoy. Those attending will be entered into a prize raffle.

We encourage groups to visit the Aquatic Center. To ensure that we have adequate time to prepare for your arrival, please remember to schedule your visit at least one week in advance. To make sure that your visit is fun and safe, we require that you provide a sufficient number of chaperones. For groups of youth six years of age and older, you would be required to provide one adult chaperone for every ten kids. For groups of youth under age six, one adult is required for every five kids. In addition, for youth under age six, the chaperones must keep an eye on their group at all times. Of course, we always provide an ample number of lifeguards anytime swimmers are in the water.

Arthritis Aquatic Class T / Th 9:30 – 10:15am

The Arthritis Foundation Aquatic Program (AFAP) is a recreational series of gentle activities in the pool and is open to anyone with arthritis. Trained personnel conduct sessions.

Deep Water Fitness M / W / F 8:00 – 9:00am

This class occurs in 6 ft of water and you do not need to be able to swim to participate. Foam buoyancy / support belts around the waist / hips and buoyant hand-held “dumbbells,” even noodles are used to keep you upright and your head out of the water. Zero joint impact with muscle toning and flexibility throughout the entire body is the goal.

Hip Flexibility F 9:00 – 9:40am or 9:00 – 10:00am

Deceptively gentle leg moves and stretches at the wall of the shallow end of the pool. The 20 additional minutes take place in the wading pool for some additional stretching and back extensor work and leg work.

Water Wellness M / W / F 9:15 - 10am

For all levels of fitness the moves are designed to accommodate those who want to work at a less intense level and those who want to move more vigorously. The workout is varied with different music selections and optional usage of pool equipment such as noodles, gloves, and hand held foam “dumbbells” that are used to enhance the subtle strengthening, toning, limbering moves done in shallow water.

Mini Weight T / Th 7:30 – 8:00am

After a brief warm-up, the focus is on upper body with gentle strengthening, toning and lengthening of legs, back, shoulder, and arm muscles using 1 – 5 pound weights. This class is great for improving your posture.

RETIRED SENIOR VOLUNTEER PROGRAM

SHARE YOUR VOLUNTEER SPIRIT

Because there is strength in numbers, we're searching for new volunteers age 55 and over to help make a difference in our community. The Retired & Senior Volunteer Program (RSVP) has been a part of Woodburn since 1973. Thousands of people have given their time over the years to make Woodburn a safe, vibrant, full-service community. There is a wide range of volunteer activities. Volunteers listen to children read in the SMART program, respond to consumer complaints at the Department of Justice, knit and crochet lap robes and baby blankets, deliver meals to homebound seniors, teach English to immigrants, shelve books at the library and serve the community in many other ways. Many organizations simply could not exist without volunteers. What a great way to keep active in retirement. Was there something you always wanted to pursue, but were unable to do, due to work? Now's the time, we can help you find your niche. Help in a class room, feed the hungry, work in TV production, the sky is the limit! You set your hours, as little as one hour a week, to as much as you want to serve.

RSVP is part of Senior Corps, a network of national and community service programs. Senior Corps is administered by the Corporation for National and Community Service. The City of Woodburn is the local sponsor for the Marion County RSVP. Together we are working to foster a culture of citizenship, service, and responsibility in America. Through this partnership, RSVP is able to offer the volunteers insurance coverage while volunteering. There is also limited mileage reimbursement and a gratis Woodburn Transit bus pass. More importantly volunteering is shown to improve physical and mental health and life satisfactions.

Making a difference begins in your own backyard and ends with a corps of volunteers that empower the entire nation. There is strength in numbers. If you are interested in serving and want to know where you are needed call us at 503-982-5255. VOLUNTEER. Share Your Volunteer Spirit, then ask a friend. Harness the power of you and your friends to help those in need in our community.

Music in the Park

Summer is the time for Music in the Park, and this year should be especially memorable. This popular series, sponsored by the Friends of Woodburn Public Library, combines an array of new performers and sounds, along with a few old favorites, to make this an exciting season. Weekly concerts, presented every Tuesday evening in July and August, begin at 7:00pm in Library Park, located in front of the library on the corner of Garfield and First St.

As always, these free concerts are open to the public. Food vendors are available on site. Bring a lawn chair or blanket and enjoy an evening of great music and good food in a beautiful park setting.

The Oregon Coast Lab Band will open the weekly series on July 1. This large youth band features the premier teen musicians from the Coos Bay, North Bend area. The Oregon Coast Lab Band has been invited to play in locations throughout the northwest. For a list of concerts, see the schedule on the back cover.

MEET YOUR LIBRARIAN MICHAEL HOLTE

Michael Holte is a librarian who works on the adult reference desk. His job is to help patrons find items and use the library. Ask him a question and he'll find the answer. Michael is also very good with computers, the Internet, and programs like Microsoft Word, Excel, and PowerPoint. He's a great person to ask for help with our library computers. Michael works with the other librarians to decide which books we should buy and which books we should get rid of. He is also in charge of the magazines and newspapers that we receive at the library. He works with volunteers to get the newest magazines out on the shelves in a timely manner.

Michael has been a librarian for 4 years. Before coming to Woodburn, he worked as a youth librarian in Brooklyn, NYC, and before that at the Multnomah County Library in Portland. He likes being a librarian because he enjoys connecting people to information. Michael's favorite authors are RH Blyth, Cormac McCarthy, and Thomas Mann. Michael is currently reading *A Heartbreaking Work of Staggering Genius* by Dave Eggers (It's great!). The next time you are in the library, stop by to say hi to Michael!
